Media

Company profile

A media and advertising company in Median Group, founded in Tripoli in 2012. We help institutions and brands plan and run campaigns under one identity.

From the idea and plan to field and digital production and events.

Our skills & work

Marketing campaigns & market studies

We plan campaigns, study the audience, and choose the channels that fit your goal.

TV, digital & print advertising

We produce TV, social, and print campaigns for the right channel and audience.

Visual identity & stationery

We build visual identity and design stationery for institutions and brands.

Events, exhibitions & stands

We organize conferences, occasions, and exhibitions, and design and build stands.

Product & brand marketing

We help you market products and services in the field and online.
